

# Floating

Floating is an open-air, 400 people capacity amphi-theatre with a floating stage, where artists ranging from classical to pop music, theatre performances and public speaking from important opinion leaders will entertain visitors with the fantastic landscape of Ponte Milvio.

Furthermore, Floating intends to host seminars and initiatives on the green and sustainability aspects.

# FLOATING

## Dimension and capacity

2.100 sqm

length: mt 180; width: min mt 10,5 max mt 13,5

## Position

Located close to the NuovoCinemaMilvio and Sports viewing areas, Floating is the place for shows, mainly with ticket, and for audio-visual projections.

It is organised in the heart of ParcoMilvio, next to the entrances of Stadio Olimpico.

## Main features

- access to the area and disable access from entrance n.2 of ParcoMilvio
- restaurant with n.3 commercial modules of 16 sqm each and space for table of 200 sqm
- stand with 400 seats and *floating* stage along the Tevere river

## Contents

A top-level content programme will be offered, from classical to pop and jazz music, theatre and talks, as well as multimedia performances, and audio-visual projections.

The unique shape of the stand, which dominates ParcoMilvio with a fantastic view, is ideal for aperitif and different types of projections.

## Infrastructure

- stand with 400 seats, in natural wood and green dressing, and floating stage with dimensions 12x6mt
- electrical system (max 15kw), water system and sewage - (till the commercial modules, no internal distribution)
