

## OVERVIEW

ParcoMilvio is a urban park, with one coordinated management of the area in terms of facilities and related services (i.e. green and its maintenance, service & security, cleaning and toilets, utilities management, etc.), of communication and of planning of the entertainment programme for the all season in the different venues located inside the park.

The park is organised in six areas, each with its unique features and offerings. Open in the summer period, from May, it is a lovely place where to enjoy free time and relax, in different ways and in a safe and sustainable environment.

# Sports viewing

In 2021 the Uefa European Football Championships (June 11 - July 11) and the Olympic Games in Tokyo (July 23 - August 9) will take place. This area of ParcoMilvio, the Marina, will be organised with a food court, where to experience different types of food and authentic pizza, to drink top craft beer, in a pop environment, where to view sports events and enjoy being together. Furthermore, the area is meant to serve all spectators going to the stadium for the 4 matches planned (June 11, 16, 20 and July 3), before and after the match.
